

Town of Mansfield
Four Corners Sewer Planning Advisory Committee
Minutes of the Meeting – January 27, 2009

Present: Nesbitt (chair), Hart, Rawn, Plante, Ferrigno, Girard, Schaefer, Tussing, Pacholski, Hultgren, Hossack (guest)

The meeting was called to order by chair Nesbitt at 7:05 PM.

The minutes of the 1/13/09 meeting were approved on a motion by Plante/Schaefer which passed with 1 abstention.

Hultgren circulated the email he received from the DEP concerning its position on sewerage the 4-Corners area. It was marked for insertion in the reference binders as #8.

Nesbitt reported on a meeting held with UConn's Tom Callahan to define UConn's position with regards to providing water for the 4-Corners area, and if and when that is likely to occur. Hultgren noted that since design money is not available for water or sewer without a bond referendum, he may be able to have the Town's engineering employees start this design work this spring.

The March 24th presentation was then reviewed and edited in detail. Nesbitt will incorporate these edits into the presentation for review at a subsequent meeting.

Future meetings were set for Feb 10th, 24th and March 24th, which would be the public presentation and stakeholders meeting in the Council Chambers.

The meeting was adjourned at approximately 8:45 PM.

Respectfully submitted,

Lon Hultgren,
Director of Public Works
